Re: Docket No. 080517-WS -- Aqua Utilities Florida, Inc.'s Application for Approval of Transfer of Horizon Homes of Central Florida, Inc. and Five Land Group LLC's Water and Wastewater Systems and Amendment of Certificates in Sumter County, Florida.

Dear Ms. Cole:

On August 11, 2008, on behalf of Aqua Utilities Florida, Inc., I filed in the above-referenced docket the Original and five copies of Late-Filed Exhibit L, an affidavit that the notice of actual application was given in accordance with Section 367.045(1), Florida Statutes, and Rule 25-30.030, Florida Administrative Code, to the indicated utilities, governmental bodies, agencies and municipalities. While I filed the affidavit stating that the notice had been given, it appears I failed to attach to it the list of utilities, governmental agencies and state officials that notice was provided to. To complete the affidavit and Exhibit L, attached to this letter is the original and five copies of the list of utilities, agencies and officials notice was provided to as stated in the affidavit. As reflected by the attachment, this listing of persons to be noticed was provided by the Commission to Aqua Utilities Florida, Inc. in a June 18, 2008 letter from Richard Redemann to Carl Smith.

Please acknowledge receipt of this document by stamping the extra copy of this letter "filed" and returning the copy to me.

Thank you for your assistance with this filing.

Sincerely,

Michael B. Twomey

Dear Mr. Smith:

Enclosed is the list of water and wastewater utilities and governmental/regulatory agencies in the above mentioned counties. Please refer to Commission Rule 25-30.030, Florida Administrative Code, for the noticing requirements. Noticing must be done in the proper format, consistent with the rule. If your notice is not in the proper format, you will be required to renotice and your application will be delayed. Instructions for preparation of a territory description are available upon request.

Please note that if your county list includes two Department of Environmental Regulation offices or two Water Management District offices, you must identify which is the proper district office for your notice.

You will note that the county list is dated and is valid for sixty days from that date. If you have not performed the noticing by this date, you must request an updated list.
