AFFIDAVIT OF STEVEN D. SCROGGS

BEFORE ME, the undersigned authority, personally appeared Steven D. Scroggs who, being first duly sworn, deposes and says:

1. My name is Steven D. Scroggs. I am currently employed by Florida Power & Light Company (“FPL”) as Senior Director, Project Development. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Exhibit C and the documents that are included in FPL’s Request for Confidential Classification of Information Obtained in Connection with the Nuclear Cost Recovery Audit Control No. 08-087-4-1 for which I am identified on Exhibit C as the affiant. The documents and materials that I have reviewed are asserted by FPL to be proprietary confidential business information, including but not limited to: vendor contracts and information, affiliate information, compensation data and internal accounting documents. Disclosure of this information would violate FPL’s contracts with its vendors, work to the detriment of FPL’s competitive interests, and/or impair FPL’s efforts to enter into contracts on commercially favorable terms. Certain of these documents also contain or constitute internal auditing controls and reports of internal auditors or information relating to same. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
