FILED: September 2, 2008

**TAMPA ELECTRIC COMPANY'S  
REQUEST FOR CONFIDENTIAL CLASSIFICATION**

Tampa Electric Company ("Tampa Electric" or "the company"), pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, hereby requests confidential classification of certain highlighted information contained in Tampa Electric's witness Carlos Aldazabal's Exhibit CA-3, Document No. 2, Schedule E12 (Bates Stamp page 26), for the period January 2009 – December 2009. In support thereof, the company says:

1. A single copy of Schedule E12 (Bates Stamp page 26 - Tampa Electric Company Capacity Costs Estimated for the Period January 2009 through December 2009) is being simultaneously filed with the Commission on a confidential basis. Bates Stamp page 26 contains certain information ("Confidential Information") highlighted in yellow.

2. Subsection 366.093(1), Florida Statutes, provides that any records "found by the Commission to be proprietary confidential business information shall be kept confidential and shall be exempt from s.119.07(1) [requiring disclosure under the Public Records Act]." The proprietary confidential business information includes, but is not limited to:

(d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms. (Section 366.093(3)(d), Florida Statutes)

3. Proprietary confidential business information also includes:

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information. (Section 366.093(3)(e), Florida Statutes)

4. The Confidential Information falls within the above statutory categories and, thus, constitutes proprietary confidential business information entitled to protection under Section 366.093 and Rule 25-22.006. The Confidential Information shows estimated purchase amounts pursuant to confidential contracts negotiated by and between Tampa Electric Company and certain energy providers. As such, the information in question is information concerning bids or other contractual data the disclosure of which would impair the efforts of Tampa Electric to contract for goods and services on favorable terms. It is also information relating to competitive interests the disclosure of which would impair the competitive business of Tampa Electric.

5. Tampa Electric treats the Confidential Information as such and has not disclosed it publicly.

WHEREFORE, Tampa Electric Company respectfully requests that the highlighted Confidential Information contained in Schedule E12 (Bates stamp page 26), for the period January 2009 through December 2009 be afforded confidential classification for the reasons set forth above.

DATED this 2<sup>nd</sup> day of September 2008.

Respectfully submitted,
