RE: Docket No. 060122-WU
Docket No. 060606-WS

Dear Ms. Cole:

The Public Service Commission's staff counsel has requested that the FGUA clarify its intent that the 45-day extension of the existing abatement, if approved by the Public Service Commission, begin to run on the date the Commission's order approving the extended abatement period is issued. I have consulted with counsel for Aloha Utilities, Inc. and the Office of Public Counsel and they have confirmed their agreement with this clarification. The Office of Public Counsel continues to support the FGUA request and Aloha does not oppose the request.

If there are any additional questions, please do not hesitate to call.

Very truly yours,

Brian P. Armstrong
