Just as an FYI, we received direct testimony and exhibits from Peter J. Rant, P.E. and Lloyd D. Shank, Jr., P.E. in the above-mentioned docket. No cover letter was included with the filing. I called atty Wright's office at Young van Assenderp, P.A. and was told that this was filed in atty Wright's absence and that it was for MUUC. I just wanted to give you the heads up in case there were any questions regarding the description entry in CMS. (DNs 03366-09, 03367-09, and 03371-09)

Ms. Dulgar,

The attached e-filing appears to be a duplicate of an e-filing received from you at 10:06 a.m. today. According to the transmittal cover pages, it appears that you are filing the document twice so that a copies will be placed in Dockets 070231 and 080244 separately. The actual document being filed references both document numbers and will be entered in both dockets. Filing it twice would put the letter in both dockets twice. As such, the filing received at 10:08 a.m. will not be accepted as an official filing. A link to the PSC e-filing requirements is being provided for your convenience:
