To Whom It May Concern:

As we were instructed by the Florida Public Service Commission in connection with Docket #080079-SU, the Utility Corporation of Florida Inc., has set up an escrow account for the 2008 \$10 increase in monthly wastewater service fees.

This account was established as soon as we had collected over \$1,000 in increases, on May 28, 2008. The account is held by the law firm of Breed & Nunnallee of Sebring, Florida and totals \$2110 as of September 1, 2008.

We will submit an Excel spreadsheet by regular mail, with details of how much each customer paid in increases.

Please let us know if anything else is needed.

Sincerely,

s/Lois M. Schlabach,
