**In Re:** Docket No. 080121-WS, Application for increase in water and wastewater rates in Alachua, Brevard, DeSoto, Highlands, Lake, Lee, Marion, Orange, Palm Beach, Pasco, Polk, Putnam, Seminole, Sumter, Volusia, and Washington Counties by Aqua Utilities Florida, Inc.

Dear Mr. Wilkening: *Hal*

Consistent with the Memorandum of Understanding between our two agencies, the Florida Public Service Commission (FPSC or Commission) requests that a representative of the St. Johns River Water Management District (the District) testify on behalf of Commission staff in the ongoing Aqua Utilities Florida water and wastewater rate case. I have enclosed for your witness' review the testimony of Dwight Jenkins, as well as the testimony of Jay Yingling (from the Southwest Florida Water Management District). Both witnesses provided excellent testimony in the Utilities, Inc. of Florida rate case.

The final version of the District's testimony will be due to Commission staff for filing on October 24, 2008. The draft of the District's testimony will be due to our staff counsel, Katherine Fleming, for review by October 10, 2008. Katherine and I look forward to working closely with the District's witness.

It is always my pleasure to work with the District. If you have any questions, I may be contacted at 850.413.6964 ([jlingo@psc.state.fl.us](mailto:jlingo@psc.state.fl.us)), and Ms. Fleming may be contacted at 850.413.6218 ([keflemin@psc.state.fl.us](mailto:keflemin@psc.state.fl.us)). I look forward to hearing from you or your designee so that we may begin preparing testimony.

Sincerely,

*Jennie*
