In Re: Docket No. 080121-WS, Application for increase in water and wastewater rates in Alachua, Brevard, DeSoto, Highlands, Lake, Lee, Marion, Orange, Palm Beach, Pasco, Polk, Putnam, Seminole, Sumter, Volusia, and Washington Counties by Aqua Utilities Florida, Inc.

Dear Mr. Mazur:

Consistent with the Memorandum of Understanding between our two agencies, the Florida Public Service Commission (FPSC or Commission) requests that a representative of the Southwest Florida Water Management District testify on behalf of Commission staff in the ongoing Aqua Utilities Florida water and wastewater rate case. I have enclosed for your witness' review the testimony of Dwight Jenkins (of the St. Johns River Water Management District), as well as the testimony of Jay Yingling. Both witnesses provided excellent testimony in the Utilities, Inc. of Florida rate case. Jay has worked closely with Commission staff for a number of years, and it is always a pleasure to work with him.

Due to Jay's planned annual leave beginning October 17, 2008, the final version of his testimony will be due to Commission staff on October 16, 2008, for filing on October 24, 2008. The draft of his testimony will be due to our staff counsel, Katherine Fleming, for review by October 2, 2008. In the event the District has other witnesses who will be providing testimony, their testimony will be due to Commission staff for filing on October 24, 2008, with drafts of their testimony due to Katherine for review by October 10, 2008. Katherine and I look forward to working closely with each District witness.
