Re: Application for certificates to provide water and wastewater service in Hardee and Polk Counties by TBBT Utility LLC; PSC Docket No. 080103 - **WS**  
Our File No. 42064.01

Dear Ms. Daniel:

In accordance with my recent discussions with members of the staff, the Utility has not yet determined the exact configuration or format of a monthly service bill. That will not be known until the Utility is preparing to begin providing service to its first customers once the Utility facilities are constructed. As such, we agree that prior to the time we begin service to the first customers within this certificated service territory, we will file with your office a revised tariff sheet in order to reflect the customer bill that is to be utilized.

By copy of this letter, I am reminding management to submit that bill to me for inclusion in the tariff, in advance of the rendering of service to the first customer.

If you have any questions in this regard, please do not hesitate to contact me.

Sincerely,  
ROSE, SUNDSTROM & BENTLEY, LLP
