**Re: Docket No. 080574-SU; Application for amendment of Certificate No. 247-S to extend territory in Lee County by North Fort Myers Utility, Inc.**

Dear Mr. Eubanks:

Attached is a copy of North Ft. Myers Utility, Inc.'s application for amendment of its wastewater certificate in Lee County. Pursuant to the Memorandum of Understanding between the Department of Community Affairs (DCA) and the Public Service Commission (PSC), the DCA has agreed to provide input on need for service and comprehensive plan consistency on applications for certificate amendments filed with the PSC.

This application is for the addition of just over 1200 acres at the eastern edge of the utility's service area. The utility is working with a developer who is anxious to begin construction, so if expedited review by your agency could be accomplished that would be appreciated. It is expected that a recommendation to our Commission will be filed by my staff on November 20<sup>th</sup>, and therefore input from the DCA by October 17, 2008 would be helpful.
