Re: Docket No. 080606-WU

Dear Mr. Friedman:

This will acknowledge receipt of an application for amendment of water tariff to implement Florida Department of Environmental Protection's requirement under Rule 62-555.360, F.A.C., that backflow prevention devices be tested on an annual basis, by O&S Water Company Inc., which was filed in this office on September 24, 2008, and assigned the above-referenced docket number. Appropriate staff members will be advised.

Mediation may be available to resolve any dispute in this docket. If mediation is conducted, it does not affect a substantially interested person's right to an administrative hearing. For more information, contact the Office of General Counsel at (850) 413-6248 or FAX (850) 413-7180.

Please note as well that the Commission's Statement of Agency Organization and Operations requires certificated companies to notify the Commission of any changes in name, telephone, address, or contact person. Should your application be granted by the Commission, you will be expected to comply with this requirement by advising us of any changes as they occur.
