Docket No. 080512-EQ – Petition for approval of a negotiated power purchase contract for purchase of firm capacity and energy with Vision / FL, LLC, by Progress Energy Florida, Inc.

Issue 1: Should the Commission approve for purposes of cost recovery the proposed contract between Progress Energy Florida (PEF) and Vision / FL, LLC (Vision), for purchase of 40 MW of renewable firm capacity and energy?

Recommendation: Yes. Payments for capacity and energy are not expected to exceed PEF's avoided costs. The performance security required in the contract sufficiently protects ratepayers in the event of default.

APPROVED

Issue 2: Should this docket be closed?

Recommendation: If no person whose substantial interests are affected files a protest within 21 days of the issuance of the Commission's order approving the petition and contract, this docket should be closed upon the issuance of a consummating order.
