Re: Undocketed 08-0000
CLEC Intrastate Access Charges

Dear Ms. Cole:

Please find enclosed for filing the non-confidential portions of the transcript of last week's hearing at the Massachusetts Department of Telecommunications and Cable to consider a cap on the switched access rates of competitive local exchange carriers (CLECs). (D.T.C. 07-9 – Petition for Investigation under Chapter 159, Section 14, of the Intrastate Access Rates of Competitive Local Exchange Carriers.) This information may be useful as Staff considers opening a formal docket to cap CLEC access rates in Florida. Due to the size of the transcripts (247 pages), we are submitting them on a CD.

Please do not hesitate to call me if you have any questions about this filing.

Sincerely,

Dulaney L. O'Roark III
