Re: ~~Bucket No. 070094-W3~~ - Application for increase in water and wastewater rates in Orange County by Wedgefield Utilities, Inc.

Dear Mr. Friedman:

Staff needs the following information to complete our review of the application.

1. The following relate to the utility providing reclaimed water for irrigation purposes.

Please respond to the following:

- a) Is the golf course the only customer being served for reuse? If not, what other entities are receiving reuse? Please provide this information by entity for each month of the test year.
- b) What is the total number of reuse gallons provided for the test year.
- c) Does the utility plan on expanding reuse service in the near future, and if so, to what entities, and what is the approximate time frame?
- d) Is there a consumptive use permit (CUP) for the Wedgefield Golf Course? If so, please provide a copy of the current CUP.

Please submit the above information to the Office of the Commission Clerk by October 21, 2008. If you have any questions, please contact me by phone at (850) 413-6994.

Sincerely,
