Hello Kim:

We need to update our fax number and delete a fax number in the system. We no longer have 850-577-55536 as a fax number. Please update our information to reflect 850-577-5537 as our fax number.

(If you need something more to get the change done, please let me know.)

Thanks.

Mr. Maldonado,

Your filing will need to be revised and resubmitted in order to be considered an official filing. I am unable to tell you whether or not the agreement should or should not be filed with your petition. Those questions would need to be directed to staff.

Ms. Menasco,

the document that exceeded the 100 page limit is our Interconnection Agreement with AT&T that the Commission already has in its records. It does not need to be filed as part of this Petition. The reason it was added to the filing was because said document was referenced to on the Petition above mentioned.

not sure how we should proceed at this time. If it is appropriate, just go ahead and discard it since it is already in the Commission's records and do not attach it as part of the Petition.

Let me know in case there is any additional questions at this time. Thanks in advanced for your prompt cooperation.
