RE: Docket No. 080580-EI – Application for authority to issue and sell securities for 12 months ending December 31, 2009, by Tampa Electric Company.

MSB
ALM

In accordance with the Public Service Commission's decision rendered at the Agenda Conference held on September 29, 2008, the Commission approved the application for authority to issue and sell securities for calendar year 2009 by Tampa Electric Company. However, staff inadvertently omitted a sentence in the recommendation that states this docket was to remain open for monitoring purposes and as such, the vote sheet was not accurate. The purpose of this memorandum is to clarify that this docket shall remain open for monitoring purposes until April 28, 2010 to allow the Company time to file the required Consummation Report.
