Kim,

You may delete Mr. Sasso from the interested persons mailing list in Dkt. No. 070694. Mr. Sasso mailed us a letter expressing his concerns regarding the proposed rate increase in this case. The letter gave his mailing address at the House. In response to the letter I sent Mr. Sasso a responsive letter and had him added as an interested person in the docket.

Since I learned that he is no longer a member of the House, I have been attempting to acquire an alternate mailing address but to no avail. Thus, in the absence of an alternative address, I suppose it would be alright to remove him from the interested persons listed in this docket. If you have any further questions, I may be reached on my cell at 850.559.3211. Thank you!

Dear Mr. Carter,

On September 8<sup>th</sup>, 2008, I requested information from your office regarding the 57% increase requested by Wedgefield Utilities for the Wedgefield area of Orange County. How does the utility justify this kind of increase? I have had numerous complaints in my office regarding the lack of pressure and the poor quality of the water supplied by this utility.

We would appreciate being informed of any and all meetings regarding this issue, also we request copies of any further documents regarding the Wedgefield Utility increase. I would appreciate the name and contact information of your staff person assigned to this.

Also, at your convenience, would it be possible for us to have a telephone conference? I think a lot could be accomplished in a quick phone call. Thank you for your consideration.

Warm Regards,

Representative Tony Sasso
