Staff has no objection to FPL's request for a further extension to file its responses to staff's data request dated November 14, 2008. Consistent with your request, FPL has an extension through February 18, 2009, with the understanding that staff will bring this matter to a March 2009 Agenda, or thereafter, as determined by staff.

Please contact me with any questions; thank you.

FPSC-COMMISSION CLERK

In reviewing the FPL Securities application, staff would like FPL to confirm the accuracy of the following language that is to be placed in the current recommendation:

FPL confirms that the expenditures on behalf of FPL-NED are not recovered from or otherwise imposed on FPL's customers in Florida. FPL also confirms that, other than the proceeds used by FPL-NED, the capital raised pursuant to this application will be used in connection with the regulated activities of FPL and not the unregulated activities of its affiliates.

Please let me know if you have any questions or concerns regarding this language. Also, staff proposes that FPL place this language in future securities applications.

If you have any questions, feel free to contact me.

Thank you,
