Re: In re: Petition to determine need for Greenland Energy Center Combined Cycle Conversion in Duval County by JEA, Docket No. 080614EI

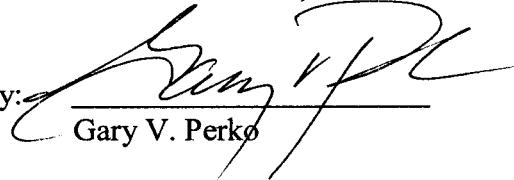

Dear Ms. Cole:

On September 30, 2008, JEA filed in this docket a Petition to Determine Need for an Electrical Power Plant in Duval County. By this letter, JEA agrees to a limited waiver of deadlines for holding a hearing in this matter and taking final action on JEA's petition, as set forth in Rule 25-22.080(2), Florida Administrative Code. Likewise, JEA hereby waives the 150-day deadline for filing the Commission's report pursuant to Section 403.507(4), Florida Statutes. JEA makes this limited waiver based on the understanding that a hearing will be held in this matter beginning on February 12, 2009, which would enable the Commission to take action on JEA's petition during the agenda conference scheduled on March 17, 2009.

If you have any questions regarding this waiver, please contact me at 222-7500.

Very truly yours,

HOPPING GREEN & SAMS, P.A.
