RE: Docket No. 080247-SU; Utilities, Inc. of Eagle Ridge's Application for Increase in Wastewater Rates in Lee County, Florida
Our File No.: 30057.158

Dear Ms. Cole:

The following are the Utility's responses to the Commission Staff's October 10, 2008 correspondence identifying deficiencies in the MFRs filed in the above-referenced proceeding:

1. (a). Eagle Ridge is required to provide the wastewater Advances From Associated Companies balance for the prior year ending December 31, 2006. The balance of \$1,008,643 provided by the Utility for the prior year ending December 31, 2006 does not equal the balance reflected in its 2006 Annual Report. Pursuant to Rule 25-30.110(2), F.A.C., please provide the reconciliation of the balance in the 2006 Annual Report to MFR Schedule A-19.

(b). Eagle Ridge is required to provide the wastewater Notes & Accounts Payable-Assoc. Cos. Balance for the prior year ending December 31, 2006. The MFR balance of negative \$716,560 provided by the Utility for the prior year ending December 31, 2006 does not equal the balance reflected in its 2006 Annual Report. Pursuant to Rule 25-30.110(2), F.A.C., please provide the reconciliation of the balance in the 2006 Annual Report to MFR Schedule A-19.

RESPONSE: Please see the attached reconciliation schedule responding to Items 1(a) and 1(b).

2. Rule 25-30.440(8), F.A.C., requires that each applicant for a rate increase shall provide the Commission one copy of a list of all field employees, their duties, responsibilities, and certificates held, and an explanation of each employee's salary allocation method to the Utility's capital or expense accounts.

MFR Schedule B-6 reflects total salaries for employees of \$200,828. MFR Schedule B-12 reflects total salaries of \$225,252. Staff believes the difference between them may have been capitalized by the utility. However, the utility's cost allocation manuals, MFRs, and the list provided by the utility do not reflect which employees' salaries were capitalized. Please provide a list detailing each employee's salary to the utility's capital or expense accounts. Also, provide an explanation of the allocation methodology used in allocating the salaries of each employee.

RESPONSE: Please see the attached document, "Employee Titles and Job Descriptions." This document is the list of field employees with their duties and responsibilities. Also see attached the document, "Test Year Employees," which shows each test year Eagle Ridge field employee, their job title, and certificate held, if any.

In response to the deficiency letter, the utility also submits herewith the document, "Eagle Ridge B-12 to GL tie out for deficiency." This document shows the amount of allocated salaries shown on the original filed B-12, the Revised B-12 filed on November 7, 2008 (in response to this deficiency), and the general ledger. It also shows any difference between the original filed B-12 and the general ledger. These differences all have explanations; many of the explanations were supported by the Revised B-12 filed herewith. There were however, differences that could not be traced back to the allocation workpapers. Since these could not be traced back as a proper allocation, the utility did not include them on the B-12.

As in the Revised B-12 filed on 11/07/08, the total allocation of salaries is \$229,900, an increase of \$4,648 compared to the original total allocation of \$225,252. This difference is attributable to:

\$1,165	Additional allocation in June in a/c 6120 not picked up on the original B 12
(\$3,525)	Additional allocation in September in a/c 6120 not picked up on the original B 12
(\$ 14)	Additional allocation in December in a/c

	6155 not picked up on the original B 12
\$ 5	Additional allocation in December in a/c 6135 not picked up on the original B 12
\$3,646	Additional allocation in December in a/c 6160 not picked up on the original B 12
\$3,371	Incorrect allocation made and reversed in December in a/c 6165; the reversal was not picked up on the original B 12
\$4,648	Total difference between original B-12 and Revised B-12 filed on 10/13/08

Staff states in its deficiency letter that the total of B-6 salaries is \$200,828. This is the total salaries reflected on the general ledger. The difference between the salaries reflected on the general ledger (\$200,828) and the salaries reflected on the Revised B-12 filed on 11/07/08 (\$229,900) is \$29,072. This difference is comprised of:

\$ 356	Amount of allocated capitalized time in March booked to the GL and not picked up on the revised B-12 filed on 10/13/08 because it was untraceable
\$ 893	Amount of allocated capitalized time in June booked to the GL and not picked up on the revised B-12 filed on 10/13/08 because it was untraceable
(\$1,798)	Additional allocation of executive salaries in March, but not picked up on the original B-12 or the revised B-12 filed on 10/13/08 because it was untraceable
\$30,870	Actual capitalized time directly booked to Eagle Ridge
\$29,072	Total difference between revised B-12 filed on 10/13/08 and B-6

This capitalized time of \$30,870 is provided in the attached document, "Salary Allocation of Field Employees."

Each employee's salary is calculated in the manner below. The only difference for each employee is the denominator, which varies depending on the specific systems for which each employee works. The salary allocation was calculated for per books purposes based on equivalent residential customers (ERCs), converted into customer equivalents (CEs). The allocation was then calculated as follows:

Eagle Ridge CEs at 12/31/07

Total CEs at 12/31/07 for systems where employee performs duties

The salary allocation for each employee for each of the four quarters can be found on each employee's salary sheet from the attached, "Salary Allocation of Field Employees," under the section, "Salary Allocation". For example, John Bonagura's salary allocation for the first quarter shows the following, which shows that Eagle Ridge receives 3.73% (2,532 CEs / 67,898 CEs) of John Bonagura's first quarter salary (\$16,250 * 3.73% = \$606).

The allocation applies to the employee's total salary expense. Any capitalized portion is then credited directly to Eagle Ridge's salary expense, and debited to the proper capital account, as shown by employee on the attached, "Salary Allocation of Field Employees." The personnel who have capitalized time to Eagle Ridge are as follows:

- Michael DiDonato
- Patrick Flynn
- Ismael Garcia, Jr.
- Ed Golembeski
- Michael Monat
- Nick Pantelias
- Max Radcliff
- Malcolm Stewart
- Tony Wierzbicki
- Michael Wilson
