Docket No. 080652-TL – Review of tariff filing (T-080639) by Verizon Florida LLC to establish bill credit trial.

Issue 1: What action, if any, should the Commission take with respect to Verizon’s Tariff Filing (T-08-0639) to establish a bill credit trial?

Recommendation: Staff recommends that Verizon’s tariff filing (T-080639) to establish a bill credit trial be approved, pursuant to Section 364.057(1), Florida Statutes, for the period September 15, 2008 through March 12, 2009. If the Commission finds to the contrary and determines that the tariff should be canceled, Verizon should be required to issue bill credits to 100% of the residential customers who experience three or more NDT conditions or two or more repair issues within 30 days of a new, change, or move order, over the pendency of the tariff.

APPROVED

Issue 2: Should this docket be closed?

Recommendation: Yes. The order issued from this recommendation will be a proposed agency action. Thus, the order will become final and effective upon issuance of the Consummating Order if no person whose substantial interests are affected timely files a protest within 21 days of the issuance of this Order. In the event of a timely protest, the tariff should remain in effect pending the outcome of further proceedings.
