FINAL ORDER GRANTING APPROVAL FOR
AUTHORITY TO ISSUE AND SELL SECURITIES

BY THE COMMISSION:

Florida City Gas, a division of Pivotal Utility Holdings, Inc. (FCG or Company), filed an application on October 9, 2008, seeking Commission approval pursuant to Section 366.04, Florida Statutes, and Chapter 25-8, Florida Administrative Code, to issue short-term debt securities for the twelve month period ending December 31, 2009. Notice of FCG's application was given in the Florida Administrative Weekly on October 31, 2008.

Florida City Gas is a division of Pivotal Utility Holdings, Inc., which is a wholly-owned subsidiary of AGL Resources Inc. (AGLR). FCG seeks authority to finance its on-going cash requirements through its participation and borrowings from and investments in AGLR's Utility Money Pool. The Company will make short-term borrowings annually from the Utility Money Pool according to limits that are consistent, given the seasonal nature of the Company's business and its anticipated cash demands, with the Company's capitalization. The maximum aggregate borrowings by Pivotal's three utilities from the Utility Money Pool during 2009 will not exceed \$800 million. FCG's share of these borrowings will not exceed \$250 million.

It appears that FCG has complied with the requirements of Section 366.04, Florida Statutes, and Chapter 25-8, Florida Administrative Code, in applying for the authority to issue debt securities. Having reviewed the application, it is the finding of this Commission that the issuance of the aforementioned debt securities will not impair the ability of Florida City Gas to perform the services of a public utility. Therefore, FCG's application is hereby granted as set forth in the body of this Order.

Our approval of the proposed issuance of short-term debt securities by FCG does not indicate specific approval of any rates, terms or conditions associated with the issuance. Such matters are properly reserved for review by the Commission within the context of a rate proceeding.
