**BEFORE ME**, the undersigned authority, personally appeared Terry O. Jones, who, being first duly sworn deposes and says:

1. My name is Terry O. Jones. I am currently employed by Florida Power & Light Company ("FPL") as Vice President of Nuclear Operations in the Midwest Region. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed the documents and information included in Exhibit A to FPL's request for Confidential Classification. The information in said documents relates to security of FPL's Turkey Point nuclear plant, if made public, would disclose certain details about FPL's security measures, system or procedures to the detriment of FPL, its customers and the general public. To the best of my knowledge, FPL has maintained the confidentiality of this information.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
