RE: Docket No. 080303-TI; Typographical Correction in Company Name

On July 2, 2008, staff filed a memo in Docket No. 080303-TI to acknowledge Redes Modemas de la Fronters SA de CV Corporation as a registered intrastate interexchange telecommunications company (TK208) effective June 5, 2008. It was brought to staff's attention there was a typographical error in the company name based upon an administrative correction filed with the Florida Secretary of State.

Staff filed the IXC Registration memo using the company name *Redes Modemas de la Fronters SA de CV Corporation* which was an incorrect spelling. Staff requests the company name be amended to its correct spelling *Redes Modernas de la Frontera SA de CV Corporation*.
