Good morning, thanks for confirming that the date we should use for cancellation date for the transfer of certificate is **12-31-08** (Interlink Global) and new Company (NET TALK.COM, INC) will be effective 1-1-09. Technically, an amendatory order should be issued, but since the dates are listed in the RE of the docket, in the text of the order and the Commissioners voted on that date, eventhough, it is not listed in the ordering paragraph it will be **OK** to use 12-31-08 for the inactive date. I will update MCD accordingly to your memo. Thanks, Nonnye

Victor, for your information.
