RE: Docket No. 070405-WU - Application for certificate to operate water utility in Putnam County by Wilcox Investments, Inc. (MT ROYAL WTP).

On December 11, 2008, the applicant filed a letter requesting the docket be closed, attaching a copy of a recorded quit claim deed which transfers the utility to the customer homeowners' association. Staff believes that the information sufficiently demonstrates the utility's exempt status pursuant to Section 367.022(7), Florida Statutes. The applicant is not requesting a refund of its filing fee, and there appears to be no other outstanding matter which requires action by the Commission.

Pursuant to the Section 2.07C.2.d(4), the Office of Commission Clerk may administratively close dockets upon the joint recommendation of the OPR division and the Office of the General Counsel for dockets "the applicant ... seeks to withdraw its initial pleading and staff has determined that there are no pending issues. . . ." As stated previously, the applicant is not requesting a refund of its filing fee, and there appears to be no other outstanding matter which requires action by the Commission. Therefore, please close this docket.
