RE: Administrative Closing of Docket No. 041272-EI - Progress Energy Florida, Inc.
Storm Cost Recovery Surcharge

Order No. PSC-06-0772-PAA-EI authorized the administrative closure of Docket No. 041272-EI upon the verification of the true-up of the actual storm restoration costs approved for recovery by Order No. PSC-05-0748-FOF-EI.

Order No. PSC-06-0772-PAA-EI extended the surcharge for an additional year beyond the period required to fully recover the actual costs. The purpose of the surcharge extension was to help replenish the storm reserve. Because of this extension, a true-up of the actual amount recovered through the surcharge is no longer necessary. Therefore, Docket No. 0401272-EI can be closed.
