Hi Dorothy,

There should be, but Kim suggested that in lieu of having the company file an amendment to its petition to include Bell Atlantic, I should send the company an email specifically asking it to confirm that Bell Atlantic should be added, then attach that email to a request to change to docket title. The only written correspondence I have from Verizon is an email sent to me in response to a telephone conversation, and the wording does not make it clear (without knowledge of the content of the conversation) that Bell Atlantic is to be added to the docket. I sent the request for confirmation last week, but have not received a response. I will follow Kim's advice when I get the response.

Hope this helps.

Hi Melinda,

Hong just asked why the CMS Utilities section was updated but not the docket title. Can you please confirm whether or not there should have been a change to the docket title? Please see e-mails below for clarification. Thank you for your help!

Appropriate staff members will be advised.
