Hi Dorothy,

This relates to the same correspondence I e-mailed you about last week. This complaint actually relates to FPUC electric, not gas. The correspondence should be removed from 080366-GU. It's easy for people to confuse the two, especially since the FPUC gas was the most recent case. Again, I'm not sure where this correspondence should go. There is not an open rate case docket for FPUC electric.

Thank you for the clarification, Pete. We will leave the rest of the letters in Docket 090001 per your message below. Frank Arenas' letter was moved to consumer correspondence in Docket 090009 on 3/26/09 (DN 00083-09).

Subject: RE: Progress Energy Rate Increase

The e-mail complaints I have reviewed refer to a 25% increase in PEF's bill. That was based on a fuel rate increase and an increase in capacity charges stemming from nuclear preconstruction (Dkt. 080009). The 25% is outdated since PEF filed for a mid-course correction to fuel factors and a decrease in capacity charges. I don't mind if these e-mail complaints go into the fuel docket - 090001 - but they are out of date.

For clarification, these documents were placed in Docket 090001. Are we adding these to 090009 (with a copy to be retained in 090001), or are we to completely remove them from 090001 and move them to 090009? Thank you for your help!

RE: Confidential Document #00133-09, Confidential portions of Order No. PSC-09-0024-FOF-EI, issued January 7, 2009, in Docket No. 080001-EI.

Natalie Smith, representative of Florida Power & Light Company is here to collect a copy of the above-referenced confidential portions of Order No. PSC-09-0024-FOF-EI in Docket No. 080001-EI. Portions of the order are confidential. The confidential portion is a synopsis of the confidential material (AIT report) provided by FPL in this docket. FPL requested the AIT report be kept confidential. The redacted portions of the order discussed the AIT report. This confidential document may be copied and given to FPL pursuant to APM Section 11.04.C.6.c(3)(b) because it contains the utility's confidential information, even though not filed by the utility.

Subject: Copy of Confidential Order in Docket No. 080001-EI
Importance: High

Natalie Smith is here to collect a copy of the pressurized pipe order in Docket No. 080001-EI. Portions of the order are confidential. The confidential portion is staff's synopsis of the confidential material provided by FPL in the docket. FPL requested the AIT report to be kept confidential, the staff discussed the AIT report in their recommendation, which discussion is reflected in the Order. So, I believe that APM Section 11.04.C.6.c(3)(b) applies (see below) and either the General Counsel Mary Anne or Dr. Bane or Chuck Hill may approve the release of the Order to FPL.

I would recommend that a copy of the Order be given to FPL.

Lisa
