Dear Mr. Mayer:

I will be handling your request for cancellation of your IXC registration in the name of E-Rosh Corp. (TK190). In order for E-Rosh Corp. to be granted a voluntary cancellation, the 2008 Regulatory Assessment Fee must be paid. I am attaching the 2008 Regulatory Assessment Fee return form, which should be completed and returned with at least the minimum \$700 payment by January 30, 2009. If full payment and the form are not received, staff will recommend that E-Rosh Corp. be denied a voluntary cancellation and instead the registration will be cancelled on the Commission's own motion and any unpaid fees will be turned over to collections. Please let me know if you have any questions. Thanks.
