Re: Staff Assisted Rate Case for CWS Communities LP in Lake County, Docket No. 080715-WU

Dear Ms. Smallwood:

We have determined eligibility for staff assistance filed by CWS Communities LP. We find that the utility is eligible for the staff assisted rate case filing.

The staff engineer has determined the filing fee in this rate case is \$200. This fee is based on the capacity of the utility system as provided by Section 367.145(2), Florida Statutes. Staff has noted that a filing fee of \$1,000 has already been paid, therefore, an \$800 refund will be provided.

Section 367.091(2), Florida Statutes, provides:

Upon filing an application for new rates, the utility shall mail a copy of the application to the chief executive officer of the governing body of each county within the service areas included in the rate request. The governing body may petition the commission for leave to intervene in the rate change proceeding and the commission shall grant intervener status to any governing body that files a petition.

Please forward a copy of CWS Communities LP's application for a SARC to the Chief Executive Officer of Lake County as required by law, and copy the Commission as proof that an application was forwarded to them.
