25-4.019 Records and Reports in General.

~~(1) Each utility shall furnish to the Commission at such times and in such form as the Commission may require, the results of any required tests and summaries of any required records. The utility shall also furnish the Commission with any information concerning the utility's facilities or operations which the Commission may reasonably request and require. All such data, unless otherwise specified, shall be consistent with and reconcilable with the utility's annual report to the Commission.~~

~~(2) Where a telephone company is operated with another enterprise, records must be separated in such manner that the results of the telephone operation may be determined at any time.~~

~~(3) Upon notification to the utility, members may, at reasonable times, make personal visits to the company offices or other places of business within or without the State and may inspect any accounts, books, records, and papers of the company which may be necessary in the discharge of Commission duties. Commission staff members will present Commission identification cards as the written authority to inspect records. During such visits the company shall provide the staff member(s) with adequate and comfortable working and filing space, consistent with the prevailing conditions and climate, and comparable with the accommodations provided the company's outside auditors.~~
