Case Background

Gold Coast Utility Corp. (Gold Coast or utility) is a Class B utility serving approximately 150 residential and 32 general service water and wastewater customers in Polk County. The utility is in the South Florida Water Management District (SFWMD) and is not in a water use caution area. The utility's 2007 annual report shows total operating revenue of \$169,486 and \$296,759, and net operating loss of \$27,779 and \$9,083, for water and wastewater, respectively.

FPSC-COMMISSION CLERK

Docket No. 080582-WS

Date: January 29, 2009

The utility was granted Certificate Nos. 590-W and 508-S in 1997, subsequent to Polk County turning over jurisdiction to the Commission.¹ There has been one transfer docket and one amendment docket since the utility was certificated.² The Commission has jurisdiction pursuant to Sections 367.045, Florida Statutes (F.S.).

¹ Order No. PSC-97-0567-FOF-WS, issued May 20, 1997, in Docket No. 961485-WS, In re: Application for grandfather certificates to provide water and wastewater service in Polk County by Lake Haven Utility Association, Ltd, d/b/a Lake Wales Utility Co., Ltd.

² Order No. PSC-06-0331-PAA-WS, issued April 24, 2006, in Docket No. 050902-WS, In re: Application to transfer assets and Certificate Nos. 590-W and 508-S in Polk County from Lake Haven Utility Associates, Ltd., d/b/a Lake Wales Utility Company to Gold Coast Utility Corp. Order No. PSC-06-0770-FOF-WS, issued September 18, 2006, in Docket No. 060166-WS, In re: Application for amendment of Certificates 590-W and 508-S to extend water and wastewater service areas to include certain land in Polk County by Gold Coast Utility Corp.

Discussion of Issues

Issue 1: Should the Commission approve the application to amend Certificate Nos. 590-W and 508-S in Polk County by Gold Coast Utility Corp.?

Recommendation: Yes. The Commission should approve Gold Coast's amendment application to expand its territory. The proposed territory amendment is described in Attachment A of this recommendation. The resultant order should serve as Gold Coast's water and wastewater certificates and should be retained by the utility. Gold Coast should charge the customers in the added territory the rates and charges contained in its tariff until authorized to change by this Commission in a subsequent proceeding. (Clapp, Jaeger, Redemann, Simpson)

Staff Analysis: On September 9, 2008, Gold Coast filed an amendment application pursuant to Rule 25-30.036(3) Florida Administrative Code (F.A.C.). The amendment is to extend service to the Saddlebag Lake Resort, an RV park with approximately 750 home sites, and an adjacent undeveloped area owned by Alico Land Development, Inc., which may have 480 equivalent residential connections (ERCs). The utility currently providing water and wastewater service within Saddlebag Lake Resort is owned by Saddlebag Land Owners Association (SLOA), a nonprofit corporation, established in 1972, which is exempt from Commission regulation pursuant to Section 367.022(7), F.S.

The application complies with the governing statute, Section 367.045, F.S., and other pertinent statutes and administrative rules concerning an application for amendment of certificate. The application contained the requisite proof of noticing pursuant to Rule 25-30.030, F.A.C. No objections to noticing were filed with the Commission and the time for filing such has expired. Adequate service territory and system maps and a territory description have been provided. A description of the territory requested to be added by the utility is appended to this recommendation as Attachment A. The utility is in compliance with the regulations of the Florida Department of Environmental Protection (DEP) and SFWMD.

According to the Department of Community Affairs (DCA), the area is zoned for residential use for the existing subdivision. Also, DCA stated that there are no major development plans that would require an amendment to the County Comprehensive Plan. DCA has not identified any potential inconsistency between the proposed service area expansion and the Polk County Comprehensive Plan.

SLOA has compliance issues that have not risen to the level of notice of violation or consent orders regarding the operation of the wastewater treatment plant, but which will require substantial improvements if it is not taken out of service. In order for SLOA to avoid as much of those costs as possible, SLOA initiated discussion with Gold Coast to interconnect to Gold Coast's water and wastewater systems, and to eventually dismantle SLOA's water and wastewater treatment facilities.

Gold Coast plans to start the interconnection process soon after the Commission approves the certificate amendment. SLOA, which is exempt from Commission regulation, will be billed as a bulk customer of Gold Coast based on Gold Coast's existing rates and charges once the interconnection is made, and SLOA will continue to bill its members. Gold Coast estimates that

the interconnection should take place within a year and a half from the time the Commission approves the amendment.

Based on all the above, staff recommends that the Commission should approve Gold Coast's amendment application to expand its territory. The proposed territory amendment is described in Attachment A of this recommendation. The resultant order should serve as Gold Coast's water and wastewater certificates and should be retained by the utility. Gold Coast should charge the customers in the added territory the rates and charges contained in its tariff until authorized to change by this Commission in a subsequent proceeding.

Docket No. 080582-WS

Date: January 29, 2009

Issue 2: Should this docket be closed?

Recommendation: Yes. If the Commission approves staff's recommendations in Issue 1, no further action will be necessary and this docket should be closed. (Jaeger)

Staff Analysis: If the Commission approves staff's recommendations in Issue 1, no further action will be necessary and this docket should be closed.

TERRITORY DESCRIPTION
GOLD COAST UTILITY CORP.
POLK COUNTY
WATER AND WASTEWATER SERVICE
ALICO LAND DEVELOPMENT, INC.

In Section 6, Township 30 South, Range 29 East, Polk County, Florida
