Attached is the revised long-term energy emergency plan for Reedy Creek Improvement District, as required by Rule 25-6.0185, Florida Administrative Code and requested by Mr. Stephen E. Garl in a letter dated January 6, 2009.

The plan is 3 pages in length. I have attached 3 electronic files all in Adobe Acrobat format for my filing. The first electronic file is titled *cover.pdf* and is a printed version of my original filing e-mail with my original signature for your records. The second document titled *Red Line.pdf* is the marked up version of our emergency plan with my original signature on the document. The third document is titled *Final.pdf* is the clean version of our emergency plan also with my original signature included.

I hope this submittal meets your requirements, if not please do not hesitate to contact me directly either via e-mail or at the numbers listed below. I sincerely apologize for the multiple submittals that I have provided you today and thank you for your assistance.

Sincerely

Hi Mr. Garl,

I spoke with Mr. Budnick earlier and I was under the impression he was going to be e-filing it again. However, he might have decided against it based on your response below. I'll let Ruth know at the front desk, and we'll be on the lookout for it either by e-filing from Mr. Budnick, or by hard copy from you, with a memo requesting the document be placed in the docket file. Thank you for your help!
