Re: Docket No. 070703-EI – PEF's Claim of Confidentiality

Dear Ms. Cole:

I am enclosing one copy of the Direct Testimony of David J. Putman on behalf of the Citizens of the State of Florida. Because Progress Energy Florida, Inc. (PEF) and my office have reason to believe the testimony may contain information that PEF regards as confidential, I am filing at this time only one copy, the confidentiality of which should be maintained while PEF has an opportunity to review the testimony and exhibits and identify the specific portions which PEF asserts to be confidential. As soon as PEF completes that review, our office will submit copies of "public" and "confidential" versions.

I have informed Staff Counsel of the procedure we are following to provide PEF the fuller opportunity it needs to assert confidentiality while meeting our deadline.
