CUSTOMER NOTICE

ISSUED: JANUARY 23, 2009

On May 30, 2008, Wedgefield Utilities, Inc. (the "Utility"), completed its application to the Florida Public Service Commission (the "Commission") for increased water service rates, in which it requested a permanent water service rate increase of 58.66%.

By Proposed Agency Action Order No. PSC-08-0827-PAA-WS ("PAA Order"), issued December 22, 2008, the Commission approved a rate increase of 50.69%. In addition, the Commission approved revised miscellaneous service charges. These rates and charges were designed to allow the Utility the opportunity to recover its reasonable and prudent costs for providing service, and a reasonable rate of return on its investment in facilities necessary to provide such water service. The PAA Order was not protested within the protest period, and became final by Order No. PSC-09-0037-CO-WS, issued January 20, 2009.

The increased rates and charges are effective for service on or after January 28, 2009.

The rates prior to filing, the Commission-approved water, and approved revised miscellaneous service charges are attached to this customer notice.

This notice was prepared by the Utility and approved by the Commission Staff for distribution by the Utility to its customers.

If you have any questions about your bill, please contact the Utility at (800) 272-1919.

Sincerely,

Wedgefield Utilities, Inc.
