Tracfone Wireless, Inc. d/b/a Safelink Wireless ("Safelink"), pursuant to Sections 364.107 and 364.183(3), Florida Statutes, hereby files this Request for Confidentiality for certain Lifeline participant information requested by this Commission.

1. On November 5, 2008, representatives from Safelink and the undersigned met with staff of the Florida Public Service Commission to raise concerns about the potential for misrepresentation and fraud under the current self-certification system, share with staff Safelink's own experience in this regard, and discuss procedures that can be implemented in order to minimize the opportunity for fraud without compromising the goal of increasing enrollment in Florida's Lifeline program. In order to determine what procedures and processes may be appropriate to minimize the opportunity for fraud, it was determined that the level of fraud under the program must be assessed first.
