Stephanie, the petition spelled it Fern Crest. In DN 09097-08, we put a note that the name does not match the name we have in MCD. We record what is filed and cannot make assumptions that it is the registered company. Please let me know if you would like to update the title to have the company's name corrected.

I noticed that the title of the above docket talks about transfer of assets of Fern Crest. The master commission directory and all previous dockets refer to that utility as a one word name of Ferncrest. Please correct the title to the one word Ferncrest. Should you have any questions, feel free to contact me.

Thank you!
