LOCATION: Betty Easley Conference Center, Joseph P. Cresse Hearing Room 148

DATE ISSUED: October 19, 2009

Informal participation is not permitted: (1) on dispositive motions and motions for reconsideration; (2) when a recommended order is taken up by the Commission; (3) in a rulemaking proceeding after the record has been closed; or (4) when the Commission considers a post-hearing recommendation on the merits of a case after the close of the record. The Commission allows informal participation at its discretion in certain types of cases (such as declaratory statements and interim rate orders) in which an order is issued based on a given set of facts without hearing.

See Rule 25-22.0021, F.A.C., concerning Agenda Conference participation and Rule 25-22.0022, F.A.C., concerning oral argument.

Docket No. 080677-EI – Petition for increase in rates by Florida Power & Light Company.

Docket No. 090130-EI – 2009 depreciation and dismantlement study by Florida Power & Light Company.

Docket No. 090079-EI – Petition for increase in rates by Progress Energy Florida, Inc.

Docket No. 090144-EI – Petition for limited proceeding to include Bartow repowering project in base rates, by Progress Energy Florida, Inc.

Docket No. 090145-EI – Petition for expedited approval of the deferral of pension expenses, authorization to charge storm hardening expenses to the storm damage reserve, and variance from or waiver of Rule 25-6.0143(1)(c), (d), and (f), F.A.C., by Progress Energy Florida, Inc.

Critical Date(s): 800677-EI - March 18, 2010 (expiration of 12-month clock)
090079-EI – March 20, 2010 (expiration of 12-month clock)
090130-EI, 090144-EI, 090145-EI - None

Commissioners Assigned: All Commissioners

Prehearing Officer: Pending (080677-EI)

Pending (090130-EI)

Skop (090079-EI, 090144-EI, 090145-EI)

Staff: GCL: Bennett, Fleming

ECR: Devlin, Willis

Issue 1: Can the Commission postpone its final decision in the Florida Power & Light Company and Progress Energy Florida Inc.'s Petitions for base rate increase, and if so, how?

Recommendation: No. Time does not permit a postponement of the decisions in the FPL and PEF rate cases. Section 366.06(3), F.S., mandates the Commission render a final decision in FPL's rate case on or before March 18, 2010, and render a final decision in PEF's rate case on or before March 20, 2010. The Commission should take all steps necessary to timely render its final orders in both cases as mandated by the legislature.

Issue 2: Can FPL begin charging rates subject to refund on January 1, 2010?

Recommendation: If the Commission agrees with Staff's recommendation in Issue 1, this issue is moot and the Commission need not vote. If the Commission disagrees with staff's recommendation in Issue 1, staff recommends that FPL cannot begin charging rates subject to refund on January 1, 2010. The terms of the 2005 Stipulation and Settlement Agreement control to prevent FPL from charging new rates until after the Commission enters its order. The order must be entered within the 12 month timeframe established by Section 366.06(3), F.S. For the reasons discussed above, the Commission should follow the current schedule to set rates by January 11, 2010.

CASE

2**

Docket No. 080677-EI – Petition for increase in rates by Florida Power & Light Company.

Docket No. 090130-EI – 2009 depreciation and dismantlement study by Florida Power & Light Company.

Docket No. 090079-EI – Petition for increase in rates by Progress Energy Florida, Inc.

(Continued from previous page)

Issue 3: Can the Commission postpone its final decision the Progress Energy Florida, Inc.'s Petition for Base Rate Increase, and if so, how?

Recommendation: No. Time does not permit a postponement of the decisions in the PEF rate case. Section 366.06(3), F.S., mandates the Commission render a final decision in PEF's rate case on or before March 20, 2010. Postponing decisions in each of the rate cases until after newly appointed Commissioners take office will likely delay a final decision past the deadline mandated by the legislature. The Commission should take all steps necessary to timely render its final orders in both cases as mandated by the legislature.

Issue 4: If the Commission postpones its final decision in the Progress Energy Florida, Inc.'s rate case, can Progress Energy Florida, Inc. begin charging rates subject to refund on January 1, 2010?

Recommendation: If the Commission agrees with staff's recommendation in Issue 3, this issue is moot and the Commission need not take action. If the Commission disagrees with staff's recommendation in Issue 3, staff recommends that if the Commission postpones its final decision in the Progress Energy Florida, Inc.'s rate case, Progress Energy Florida, Inc. may begin charging rates subject to refund on January 1, 2010.

Issue 5: Should these dockets be closed?

Recommendation: No. This is a procedural matter and the dockets should remain open pending final Commission action.

Dear Chairman Carter and Commissioners:

Yesterday, I selected two new appointees to the Public Service Commission whose terms will take effect on January 2, 2010. Currently, the Commission is in the midst of two significant rate cases. I respectfully request that the Commission postpone the final decision on the pending hearings until after the new commissioners take office. Given the potential impact that the outcome of these cases will have on Florida consumers; I believe it is important that these commissioners have the opportunity to fully participate in the process.

Sincerely,

A handwritten signature in black ink that reads "Charlie Crist".

We can drop the prog mod A-11-b. That code relates to rule waivers and we had a rule waiver (the storm rule) request by PEF earlier in the year but it was denied and no longer applicable.

Good morning, John.

We have received the request below, from Mr. Moore, to remove JAPC as an interested person in Docket 090079. The only way I will be able to do that is by removing prog mod A, 11, b. At the moment, I am unable to ascertain when or why prog mod A, 11, b was assigned to this docket. Can you please verify whether or not A, 11, b can be removed as a prog mod for the docket? Thank you for your help!

Hello. I am not sure how the Joint Administrative Procedures Committee first got listed as an Interested Person in Docket 090079-EI, but I would ask that we be removed from the service list. We are required to receive copies of some filings under the Administrative Procedures Act, such as rule challenges, petitions for variances and waivers, and petitions for declaratory statements, but we do not need or want copies of all the filings in a rate case.

Thank you.

Please place the attached email in Docket Nos. 080677-EI, the FPL rate case, and 090079-EI, the Progress Energy Florida rate case. It should be placed in the main portion of the file, and assigned a document number, not placed in the "correspondence" portion of the file.

Commissioner Argenziano does not believe the attached constitutes an *ex parte* communication under Section 350.042, Florida Statutes. In an abundance of caution, however, she directs this communication be made a part of the official record and copies distributed to all parties.

Anothe two cents worth: If compensation information is disclosed w/o an employee's name tied to the compensation (as Cmsr Argenziano has suggested) then there is no privacy issue.

Ruth,
No, Katherine is on leave, but will be checking her email. Since this does not appear to be urgent, I'll defer to Katherine about whether to add Town of North Redington Beach as an interested party. I note that the town's resolution did not request that they be added as an interested party. However, the town made the following request to have its resolution made part of the hearing record:

IT IS THEREFORE, RESOLVED:

That the Town of North Redington Beach opposes the request for an increase in the Progress Energy base rate, and asks that this position be made part of the hearing record of the Public Service Commission.

On that, I will defer to Katherine on how best to address the town's resolution.

Hi Katherine,

I received a voice message from Rick Melson earlier today. I called and left him a voice mail in return. He has been added to the parties list. I did see where he was on the initial filing, so I'm not sure why he wasn't placed on the parties list at that time. I have corrected that now though. Please let me know if you see any others like that.

Thank you for bringing that to our attention!

CONFERENCE DATE AND TIME: Tuesday, March 3, 2009, 9:30 a.m.

LOCATION: Betty Easley Conference Center, Joseph P. Cresse Hearing Room 148

DATE ISSUED: February 21, 2009

NOTICE

Persons affected by Commission action on certain items on this agenda may be allowed to address the Commission, either informally or by oral argument, when those items are taken up for discussion at this conference. Informal participation is not permitted: (1) on dispositive motions and motions for reconsideration; (2) when a recommended order is taken up by the Commission; (3) in a rulemaking proceeding after the record has been closed; or (4) when the Commission considers a post-hearing recommendation on the merits of a case after the close of the record. The Commission allows informal participation at its discretion in certain types of cases (such as declaratory statements and interim rate orders) in which an order is issued based on a given set of facts without hearing.

See Rule 25-22.0021, F.A.C., concerning Agenda Conference participation and Rule 25-22.0022, F.A.C., concerning oral argument.

CASE

3** **Docket No. 090079-EI** – Petition for increase in rates by Progress Energy Florida.

Commissioners Assigned: All Commissioners

Prehearing Officer: Skop

Staff: GCL: Bennett, Brown

Issue 2: Should this docket be closed?

Recommendation: No. This docket should remain open to process PEF's petition for a rate increase.
