I'm sorry, but I don't understand your question. Upload the tariff to/from where?

Tariffs are not eligible for electronic filing, so anything that would have been filed electronically would have been returned to you.

Dorothy,

I have added their name to receive the Notice of Hearings, Notice of Rulemaking and Notice of Workshops for the "telephone industry" per Mr. Solana's letter of 9-21-09. Also, I have left a message for him to call me so that I can advise him that we have on our web page the Report of New Dockets and Weekly Summary of Orders, which might be helpful to them and they can review on a weekly basis.

Nonnye,

This memo serves as a follow-up to the letter dated 9/21/09 from GSAssociates/Solana, which was forwarded to our office by RCP. Ruth N has advised me that you have the original letter. I received a copy. Said letter requested "to be added to [our] service list database as in 'interested party' for all telecommunications orders, dockets and notices." I called Mr. Solana and advised that we currently had about 100 open telecommunications dockets; that we don't keep a running list of interested persons; and that all current documents are available for monitoring on the PSC website. He advised that the letter could have been a little clearer, but was intended to be a request to be apprised of any new events for telecommunications companies in Florida. I advised him that there was a list that he could be included on to receive notices of workshops, etc. He advised that list is more along the lines of what they are looking for, and not documents in open dockets.

I will place this e-mail, along with my copy of the letter, in the parties correspondence for undocketed matters for future reference.

- a) The disputed billing issue that exists causes this Petition for Waiver of Florida Public Service Commission Staff interpretation of Florida Administrative Code Chapter 25-4.113 (f) and Florida Statutes Chapter 364.10(d) and 427.704 (4) that is harmful to ordinary persons.
- b) Affected Agencies are Florida Public Service Commission 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850 and AT&T dba BellSouth 500 Chastain Central Boulevard Suite 505 Kennesaw, Georgia 30144. _____ (for service only and to be redacted from all public records)
- c) Petitioner received verbal telephone notice of FPSC's position/decision about this matter on/about August 28, 2009.
- d) The issue is which party is ultimately responsible for payment in excess of services and products furnished by company to the subscriber/customer e.g. charges, taxes, etc.
- e) Customers are obligated to pay for services and products received, and permitted to pay another's obligations.
- f) Language of Florida Administrative Code Chapter 25-4.113 (f) and Florida Statutes Chapter 364.10(d) and 427.704 (4) appear ambiguous as Commission Staff (Morrow and King) read the code and statutes in a manner that is harmful to the ordinary person and in legal favor of the company. The same language read plainly favors the customer.
- g) Petition seeks waiver of rule or reversal of commission's proposed inaction with action that benefits customers' position e.g. Commission to declare customer free from paying tax obligations of the company.

Per our telephone conversation this afternoon, following is the change of address information for Raintree Utilities, Inc.

1/21/2009

DOCUMENT NUMBER-DATE

01160 FEB 16 08

FPSC-COMMISSION CLERK

Raintree Utilities, Inc. is in the process of remodeling the new offices on Main Street in Eustis, Florida. I understand the offices should be ready for occupancy in early February. I will forward you the permanent address and phone numbers when we are in the office. The previous building was sold and we had to vacate before the new offices were ready for occupancy. I thought I had sent the temporary address to the PSC, but apparently sent it to the wrong division of the PSC. I apologize for the error.

In the meantime we are receiving mail at:

Raintree Utilities, Inc.
c/o Keith Shamrock
P.O. Box 1840
Eustis, FL 32727-1840

The Raintree email address remains active and I check it regularly. You may also email me at my home email where this correspondence was generated.

Feel free to call me on my cell phone at 352-461-4246 at any time. The previous Raintree phone numbers will change once we move into the new building, as the exchange will change from Tavares to Eustis.

Let me know if you require further information. Thank you,

Fred Brown
Vice President
Raintree Utilities, Inc.
