In re: Nuclear Power Plant)
Cost Recovery Clause _____)

Docket No. 090009-EI
Filed: March 2, 2009

**FLORIDA POWER & LIGHT COMPANY'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION**

Pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") requests confidential classification of Exhibits SDS-1, SDS-8 and SDS-9 to the pre-filed testimony of FPL witness Steven D. Scroggs, Exhibit RSK-1 to the pre-filed testimony of FPL witness Rajiv S. Kundalkar, and portions of the pre-filed testimony of FPL witness John Reed. In support of its request, FPL states:

1. FPL is filing contemporaneously with this request the petition, testimony and exhibits in support of its Nuclear Power Plant Cost Recovery True-up for the periods ending 2006, 2007 and 2008. Certain portions of Exhibits SDS-1, RSK-1, and the testimony of FPL witness John Reed, contain confidential information. Additionally, Exhibits SDS-8 and SDS-9 are confidential. Pursuant to Rule 25-22.006(3)(a), Florida Administrative Code, FPL is filing this Request for Confidential Classification.

2. The following exhibits are included with and made a part of this request:

a. Exhibit A consists of a copy of the confidential material on which all information that FPL asserts is entitled to confidential treatment has been highlighted.

b. Exhibit B consists of a copy of the confidential pages of SDS-1, RSK-1, and the testimony of FPL witness John Reed on which all information that FPL asserts is entitled to confidential treatment has been redacted. Cover pages for SDS-8 and SDS-9 are also included, indicating that their contents are confidential. Because Exhibits SDS-8 and SDS-9 are

confidential in their entirety, no purpose would be served by including redacted copies of those exhibits.

c. Exhibit C is a table containing an identification of the information highlighted in Exhibit A, together with references to the specific statutory bases for the claim of confidentiality and to the affidavit in support of the requested classification.

d. Exhibit D includes the affidavits of Steven D. Scroggs, Rajiv S. Kundalkar, and Soria Talbot in support of this request.

4. FPL submits that the highlighted information in Exhibit A is proprietary confidential business information within the meaning of Section 366.093(3), Florida Statutes. This information is intended to be and is treated by FPL as private, and its confidentiality has been maintained. Pursuant to Section 366.093, such information is entitled to confidential treatment and it is exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

5. As the affidavits included in Exhibit D indicate, the information provided by FPL contains information related to bids and contractual terms, the public disclosure of which would violate nondisclosure terms of FPL's contracts with certain vendors and impair FPL's ability to contract for goods or services on favorable terms in the future. Such information is protected by Section 366.093(3)(d), Florida Statutes. Certain information also is related to competitive interests, the disclosure of which would impair the competitive business of FPL or its vendors. This information is protected by Section 366.093(3)(e), Florida Statutes. Finally, certain

information is related to internal auditing controls and reports, which is protected by Section 366.093(3)(b), Florida Statutes.

6. Upon a finding by the Commission that the information highlighted in Exhibit A, and referenced in Exhibit C, is proprietary confidential business information, the information should not be declassified for a period of at least eighteen (18) months and should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business. *See* § 366.093(4), Fla. Stat.

WHEREFORE, FPL respectfully requests confidential classification of the material described herein.

Respectfully submitted,
