REQUEST FOR SPECIFIED CONFIDENTIAL CLASSIFICATION**

BellSouth Telecommunications, Inc. d/b/a AT&T Florida ("AT&T Florida"), pursuant to Rule 25-22.006, Florida Administrative Code, hereby files its Request for Specified Confidential Classification.

Explanation of Proprietary Information

1. This information is considered by BellSouth Telecommunications, Inc. d/b/a AT&T Florida ("AT&T Florida") to be proprietary confidential business information within the scope of Section 364.183(3) of the Florida Statutes. The information is intended to be and is treated by AT&T Florida as private, and has not otherwise been disclosed to the public. Further, the disclosure of this information would cause harm to the Company's business operations as third parties may attempt to take the information out of context and use it to form a predicate for claims or lawsuits against the Company. To the extent a third party had a valid claim or lawsuit against the Company, that party would have the opportunity to seek this information through the discovery process in a legal action. AT&T Florida does not concede that such claims or lawsuits would have merit and, to the contrary, believes that its infrastructure has performed well in past storms.
2. This information is the product of an internal audit of AT&T Florida's Pole inventory and, thus, is considered proprietary confidential business information by the Company within the scope of Section 364.183(3) of the Florida Statutes.
