Mr. Mitchell:

I will go ahead and open a docket to cancel the payphone certificate with an effective date of December 31, 2008, since the 2008 fee was paid timely. Thanks.

Dear Ms. Isler,

My company, Seville Quarter, (Rosie O'Grady's Inc.) removed our last payphone in early 2008, because it was inoperable. We responded to your agency with our annual premium and thought we attached a letter requesting to cancel our certificate because we no longer owned or operated any phones. As you noticed there was a reference on the returned documents that said to "see attached" which would have referred to the attached letter requesting for cancellation. If it was not attached, it must have accidentally not been mailed along with other documents or the fax transmission was faulty.

We respectfully request that the cancellation of certificate be backdated to the receipt of the annual payment for 2008, since it was our honest intention to do so at that time.

Sincerely,

Douglas B. Mitchell
Seville Quarter
