**SAPORITO ENERGY CONSULTANTS' PETITION FOR LEAVE TO INTERVENE**

Saporito Energy Consultants ("SEC") by and through and with its undersigned president, Thomas Saporito, (hereinafter "SEC" or "Petitioners") hereby submit their Petition for Leave to Intervene in the above-styled proceeding and state as follows:

**Commission Rule on Intervention**

Commission Rule 25-22.039, Florida Administrative Code (F.A.C.), implements the standards for participation as an intervenor in an administrative proceeding. The rule provides as follows:

Persons, other than the original parties to a pending proceeding, who have a substantial interest in the proceeding, and who desire to become parties may petition the presiding officer for leave to intervene. Petitions for leave to intervene must be filed at least five (5) days before the final hearing, must conform with Uniform subsection 28-106.201(2), F.A.C., and must include allegations sufficient to demonstrate that the intervenor is entitled to participate in the proceeding as a matter of constitutional or statutory right or pursuant to Commission rule, or that the substantial interests of the intervenor are subject to determination or will be affected through the proceeding. Intervenors take the case as they find it.
