Issue 2: Should these dockets be closed?

Recommendation: Staff recommends that the Order issued from this recommendation will become final and effective upon issuance of a Consummating Order, unless a person whose substantial interests are affected by the Commission's decision files a protest that identifies with specificity the issues in dispute, in the form provided by Rule 28-106.201, Florida Administrative Code, within 21 days of the issuance of the Proposed Agency Action Order. As provided by Section 120.80(13)(b), Florida Statutes, any issues not in dispute should be deemed stipulated. If any entity fails to timely file a protest and to request a Section 120.57, Florida Statutes, hearing, the facts should be deemed admitted and the right to a hearing waived. If an entity pays the Regulatory Assessment Fees, including any accrued late payment charges, prior to the expiration of the Proposed Agency Action Order, then the cancellation of that entity's tariff and the removal of its name from the register will be voluntary. If an entity fails to pay the Regulatory Assessment Fees, including any accrued late payment charges, prior to the expiration of the Proposed Agency Action Order, then that entity's IXC tariff should be cancelled administratively and its name removed from the register, and the collection of the unpaid Regulatory Assessment Fees, including any accrued statutory late payment charges, should be referred to the Florida Department of Financial Services for further collection efforts. If an entity's IXC tariff is cancelled and its name removed from the register in accordance with the Commission's Order from this recommendation, that entity should be required to immediately cease and desist providing telecommunications service in Florida. These dockets should be closed administratively either upon receipt of the payment of the Regulatory Assessment Fees, including any accrued statutory late payment charges, or upon cancellation of each entity's respective IXC tariff and removal of its name from the register.
