### NOTICE

Persons affected by Commission action on certain items on this agenda may be allowed to address the Commission, either informally or by oral argument, when those items are taken up for discussion at this conference. These items are designated by double asterisks (\*\*) next to the agenda item number.

To participate informally, affected persons need only appear at the agenda conference and request the opportunity to address the Commission on an item listed on agenda. Informal participation is not permitted: (1) on dispositive motions and motions for reconsideration; (2) when a recommended order is taken up by the Commission; (3) in a rulemaking proceeding after the record has been closed; or (4) when the Commission considers a post-hearing recommendation on the merits of a case after the close of the record. The Commission allows informal participation at its discretion in certain types of cases (such as declaratory statements and interim rate orders) in which an order is issued based on a given set of facts without hearing.

See Rule 25-22.0021, F.A.C., concerning Agenda Conference participation and Rule 25-22.0022, F.A.C., concerning oral argument.

To obtain a copy of staff's recommendation for any item on this agenda, contact the Office of Commission Clerk at (850) 413-6770. There may be a charge for the copy. The agenda and recommendations are also accessible on the PSC Website, at <http://www.floridapsc.com>, at no charge.

**Docket No. 080677-EI** – Petition for increase in rates by Florida Power & Light Company.

**Docket No. 090130-EI** – 2009 depreciation and dismantlement study by Florida Power & Light Company.

**Docket No. 090079-EI** – Petition for increase in rates by Progress Energy Florida, Inc.

**Docket No. 090144-EI** – Petition for limited proceeding to include Bartow repowering project in base rates, by Progress Energy Florida, Inc.

**Docket No. 090145-EI** – Petition for expedited approval of the deferral of pension expenses, authorization to charge storm hardening expenses to the storm damage reserve, and variance from or waiver of Rule 25-6.0143(1)(c), (d), and (f), F.A.C., by Progress Energy Florida, Inc.

**Critical Date(s):** 800677-EI - March 18, 2010 (expiration of 12-month clock)  
090079-EI – March 20, 2010 (expiration of 12-month clock)  
090130-EI, 090144-EI, 090145-EI - None

**Commissioners Assigned:** All Commissioners

**Prehearing Officer:** Pending (080677-EI)

Pending (090130-EI)

Skop (090079-EI, 090144-EI, 090145-EI)

**Staff:** GCL: Bennett, Fleming

ECR: Devlin, Willis

**Issue 1:** Can the Commission postpone its final decision in the Florida Power & Light Company and Progress Energy Florida Inc.'s Petitions for base rate increase, and if so, how?

**Recommendation:** No. Time does not permit a postponement of the decisions in the FPL and PEF rate cases. Section 366.06(3), F.S., mandates the Commission render a final decision in FPL's rate case on or before March 18, 2010, and render a final decision in PEF's rate case on or before March 20, 2010. The Commission should take all steps necessary to timely render its final orders in both cases as mandated by the legislature.

**Issue 2:** Can FPL begin charging rates subject to refund on January 1, 2010?

**Recommendation:** If the Commission agrees with Staff's recommendation in Issue 1, this issue is moot and the Commission need not vote. If the Commission disagrees with staff's recommendation in Issue 1, staff recommends that FPL cannot begin charging rates subject to refund on January 1, 2010. The terms of the 2005 Stipulation and Settlement Agreement control to prevent FPL from charging new rates until after the Commission enters its order. The order must be entered within the 12 month timeframe established by Section 366.06(3), F.S. For the reasons discussed above, the Commission should follow the current schedule to set rates by January 11, 2010.

**Docket No. 080677-EI** – Petition for increase in rates by Florida Power & Light Company.

**Docket No. 090130-EI** – 2009 depreciation and dismantlement study by Florida Power & Light Company.

**Docket No. 090079-EI** – Petition for increase in rates by Progress Energy Florida, Inc.

(Continued from previous page)

**Issue 3:** Can the Commission postpone its final decision the Progress Energy Florida, Inc.'s Petition for Base Rate Increase, and if so, how?

**Recommendation:** No. Time does not permit a postponement of the decisions in the PEF rate case. Section 366.06(3), F.S., mandates the Commission render a final decision in PEF's rate case on or before March 20, 2010. Postponing decisions in each of the rate cases until after newly appointed Commissioners take office will likely delay a final decision past the deadline mandated by the legislature. The Commission should take all steps necessary to timely render its final orders in both cases as mandated by the legislature.

**Issue 4:** If the Commission postpones its final decision in the Progress Energy Florida, Inc.'s rate case, can Progress Energy Florida, Inc. begin charging rates subject to refund on January 1, 2010?

**Recommendation:** If the Commission agrees with staff's recommendation in Issue 3, this issue is moot and the Commission need not take action. If the Commission disagrees with staff's recommendation in Issue 3, staff recommends that if the Commission postpones its final decision in the Progress Energy Florida, Inc.'s rate case, Progress Energy Florida, Inc. may begin charging rates subject to refund on January 1, 2010.

**Issue 5:** Should these dockets be closed?

**Recommendation:** No. This is a procedural matter and the dockets should remain open pending final Commission action.

**TO:** Ann Cole, Commission Clerk - PSC, Office of Commission Clerk  
**FROM:** William C. Garner, Assistant to Chairman Carter *WCG*  
**RE:** Off-The-Record Conversation With Steven Stewart During FPL Rate Proceeding

---

Please place this memorandum in the main docket file for dockets No. 080677-EI and 090130-EI and distribute it to all parties of record. The body of this memorandum contains the substance of a communication that passed between Steven Stewart (who is the qualified representative of intervener Unger) and myself, and which I communicated to the Chairman. Though Chairman Carter and I do not believe that this communication is an impermissible *ex parte* communication, We have treated it as such out of an abundance of caution, and to avoid any appearance of impropriety.

### Communication with Steven Stewart

At approximately 11:15 a.m. on Wednesday, August 26, 2009, Mr. Steven Stewart approached me in the hearing room of the Public Service Commission. At the time, the Commission was off the record during the FP&L rate proceeding, and about to go back on the record. Mr. Stewart, who is acting as the qualified representative of intervener Unger, informed me that he had not been present for part of the proceedings that morning, that he understood that he had an obligation to be present, although he only had questions for specific witnesses. He said that out of respect for the tribunal he wanted to know if he needed to seek approval of the Chairman for his absences, and inquired whether the appropriate avenue for addressing this concern would be to address it during the hearing directly to the Chairman and on the record, or if it would be proper to handle the concern off the record with the Chairman through me.

I explained that I believed his concern involved a procedural matter that did not touch upon the merits of the proceeding, but that I would check with our legal counsel on whether he needed to be present for the entire proceeding, and whether it needed to be addressed to the Chairman on the record, or whether I could inquire on his behalf off the record.

Deputy General Counsel and advisor to the Commission, Mary Anne Helton, advised me that she could think of no specific requirement that Mr. Stewart be present at all times, and advised that he merely runs the risk of missing his opportunity to fully represent his client if circumstances arise requiring his participation, and he happens to not be present. She also agreed that the inquiry involved a procedural matter not touching upon the merits and did not think that my communicating directly with the Chairman would be an impermissible *Ex Parte* communication. She also advised that, given the amount of work to be done and the limited amount of time
