CUSTOMER NOTICE

ISSUED: MARCH 18, 2009

On May 7, 2008, Lake Utility Services, Inc. (the "Utility"), completed its application to the Florida Public Service Commission (the "Commission") for increased water and wastewater service rates, in which it requested a permanent rate increase of 95.39% for water service and 212.01% for wastewater service.

By Proposed Agency Action Order No. PSC-09-0101-PAA-WS ("PAA Order"), issued February 16, 2009, the Commission approved a rate increase of 84.64% for water service and 164.61% for wastewater service. In addition, the Commission approved revised miscellaneous service charges. These rates and charges were designed to allow the Utility the opportunity to recover its reasonable and prudent costs for providing service, and a reasonable rate of return on its investment in facilities necessary to provide such water and wastewater service. The PAA Order was not protested within the protest period, and became final by Order No. PSC-09-0157-CO-WS, issued March 16, 2009.

The increased rates and charges are effective for service on or after March 23, 2009.

The rates prior to filing, the Commission-approved water and wastewater, and approved revised miscellaneous service charges are attached to this customer notice.

This notice was prepared by the Utility and approved by the Commission Staff for distribution by the Utility to its customers.

If you have any questions about your bill, please contact the Utility at (800) 272-1919.

Sincerely,

Lake Utility Services, Inc.
