Hi Melinda,

You will still send those types of requests to me. Thank you for checking.

Per this request, I will make the change to the docket title to include the request for cancellation of the IXC registration.

Dorothy,

I'm not sure to whom I should address this now - it seems that perhaps you should be on the cc: list, but I don't know. Anyway, in the petition for Docket No. 090076-TI, the companies requested voluntary cancellation of TK051 at the conclusion of the transaction. Therefore, the docket title should be changed to include this action.

Old title:

Petition for waiver of carrier selection requirements of Rule 25-4.118, F.A.C., to allow Startec Global Operating Company to transfer long distance customer accounts to Americatel Corporation.

New title:

Petition for waiver of carrier selection requirements of Rule 25-4.118, F.A.C., to allow Startec Global Operating Company to transfer long distance customer accounts to Americatel Corporation; and request for cancellation of IXC Registration No. TK051, effective on consummation of transaction.

Thanks!
