Attached is our report of Interconnection and Net Metering of Customer-Owned Generation for the year 2008. From January through July we offered Net Billing where the credit per kWh was based upon our avoided cost. In August we converted to Net Metering where the credit per kWh is based upon our retail rates.

If the Staff has any questions about these reports please contact Cheryl Tucker (cheryl.tucker@secoenergy.com; 352-793-3801-5-1020).
