I figured out after I emailed that I was listing parts of a docket.
I figured out that I am not interested at the "Intervenor" level.
I want to be listed as an interested person for docket 90084-TP.

The reason for my interest is that ESBI has not yet handled my complaint thoroughly. A customer of theirs in Boca Raton has not produced anything to confirm that I knowingly ordered voicemail service. The first time I called the Boca Raton company they said that I ordered the service on 1/1/2009 at 9:15 in the morning. The fraudulent charges of \$14.95 having been showing up on my bill each of the past three months.
